Compliance Services								
Function	Description	Deliverables	Key performance indicator	FTE	FTE (\$)	Operating (\$)	Total (\$)	Tot. Rec. (\$)*
Inspections of licenced or authorised commercial fishers	Inspections are undertaken at any time in any location to ensure the level of compliance is proven to be at an acceptable level.  The outcome of this activity maintains or raises a risk perception in the mind of any commercial fisher who is contemplating committing an offence.  This leads to maximising voluntary compliance, and creates a deterrent effect.	Using intelligence, conduct targeted inspections at lease site to ensure compliance with legislation.
