Dear Travis,

Re: Fisheries Notices to ban the use of Opera House Nets

Native Fish Australia (Vic) has recently been contacted asking for feedback on the implementation of the ban on the use of opera house nets in Victoria. At a recent committee meeting of NFA (Vic) the merits of this ban were discussed.

NFA (Vic) is fully supportive of the notice to ban the use of opera house nets in Victoria.

NFA (Vic) look forward to being directly involved the continuing review of Victorian fisheries regulations, and hope this notice will be incorporated within the regulations.

Yours faithfully,

Tim Curmi
President
