Re. RFL exemption on Lake Hume for NSW recreational fishers

Dear Travis,

Thank you for giving Native Fish Australia (Vic) the opportunity to make comment on the above proposed exemption for NSW rec anglers.

It was discussed at a recent meeting and the following comments were noted;

- What's in it for Victorian recreational anglers?
- Little benefit to Victorian recreational anglers?
- Would be great for reciprocal rights for the Murray River and/or Lake Mulwala

Overall, most attending did not have any problem with the proposal but believed there should be something in return for allowing NSW recreational anglers free access to Lake Hume.

Yours sincerely,
