

# GoFishVic RL Quick Reference Guide 2023

## GETTING STARTED

### Setting up an account and logging in

1. Download the **GoFishVIC RL App** from the **Apple App Store** or **Google Play store**.

2. **Create your account**

You will need to create a new account regardless of whether you have a current or existing GoFishVic account.

A screenshot of the "GoFishVIC Rock Lobster" account creation interface. At the top, it says "GoFishVIC Rock Lobster". Below that, there are two options: "Create account" and "Log in", with "or" between them. A "Privacy policy" link is visible below the options. The form contains several input fields: "First name", "Last name", "Phone number", "Email", "Password", and "Re-type password". At the bottom, there is a blue button labeled "Create account".

3. **Log in using your email and password.**

A unique verification code will also be sent to your email. You'll need this to complete your login.

- \* **WiFi or mobile data connection is needed during the account setup.**

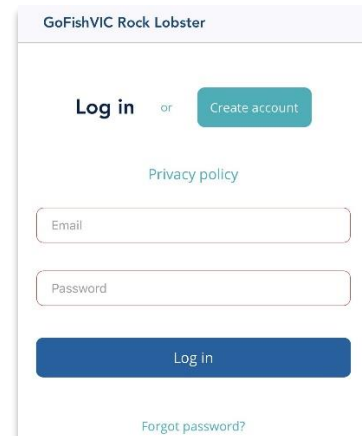

A screenshot of the "GoFishVIC Rock Lobster" login interface. At the top, it says "GoFishVIC Rock Lobster". Below that, there are two options: "Log in" and "Create account", with "or" between them. A "Privacy policy" link is visible below the options. The form contains two input fields: "Email" and "Password". At the bottom, there is a blue button labeled "Log in". Below the button, there is a "Forgot password?" link.

# RECORDING YOUR CATCH

## 1. Log in to the GoFishVic RL App by entering your email and password.

You will also need to enter the unique verification code emailed to you each time you log in.

You will only have to log in once unless you log out of the app.

The screenshot shows the login interface for the GoFishVIC Rock Lobster app. At the top, it says "GoFishVIC Rock Lobster". Below that, there are two options: "Log in" and "Create account". A "Privacy policy" link is visible. There are input fields for "Email" and "Password". A blue "Log in" button is at the bottom, and a "Forgot password?" link is at the very bottom.

## 2. Select **+Add catch** at the bottom of your home screen to take you to My Bag.

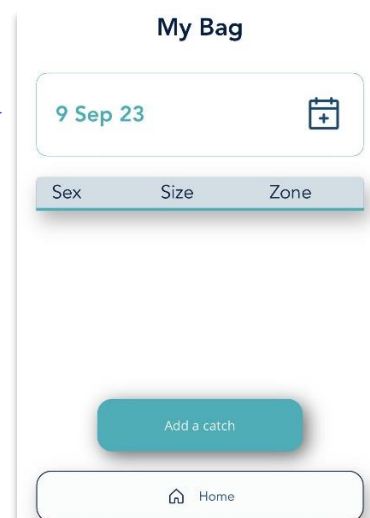

After your first reported catch, your catch history will display on your home screen.

The screenshot shows the home screen of the GoFishVIC Rock Lobster app. At the top, it says "GoFishVIC Rock Lobster" and has a user profile icon. The main area is empty with a fishing hook and fish icon and the text "No records yet." Below that is a blue "+ Add catch" button.

## 3. Confirm the date at the top of the screen.

The date will automatically default to today's date. You can select a different date by selecting the date box.

The screenshot shows the "My Bag" screen in the GoFishVIC Rock Lobster app. At the top, it says "My Bag". Below that is a date box showing "9 Sep 23" with a calendar icon. There are three tabs: "Sex", "Size", and "Zone". At the bottom, there is a blue "Add a catch" button and a "Home" button with a house icon.

## 4. Select **Add a catch** and enter the details of your first rock lobster.

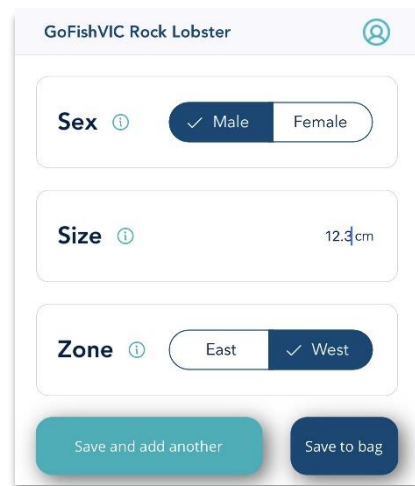

The  button next to each field provides further information on that recording field.

Please remember to record the size of each rock lobster to the decimal cm (e.g. 12.3 cm).

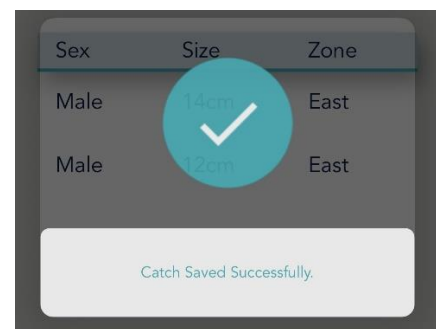

5. Select **Save and add another** if you have another rock lobster to record.
6. When you have finished recording your catch select **Save to Bag**.

This will record your catch/es and return you to the home screen.

**Your catch is now recorded!**

The screenshot shows the 'GoFishVIC Rock Lobster' recording form. It has three main sections: 'Sex' with a toggle for 'Male' (checked) and 'Female'; 'Size' with a text input field containing '12.3cm'; and 'Zone' with a toggle for 'East' and 'West' (checked). At the bottom, there are two buttons: 'Save and add another' (teal) and 'Save to bag' (dark blue).

The screenshot shows the 'My Catches' summary screen. It displays a table with columns for Sex, Size, and Zone. A large teal checkmark is overlaid on the table. Below the table, a message says 'Catch Saved Successfully.'

Sex	Size	Zone
Male	14cm	East
Male	12cm	East

---

## AMENDING YOUR CATCH

---

**You can amend any recorded catch up to 24 hours after the entry by selecting that trip in the home screen.**

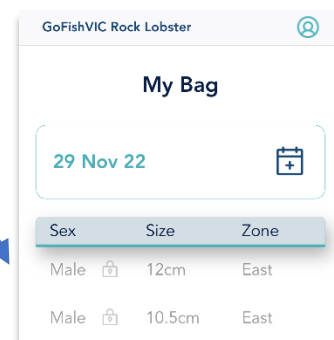

The screenshot shows the 'My Catches' summary screen. It displays a table with columns for Date, Zone, and In Bag. A blue arrow points from the text above to the table.

Date	Zone	In Bag
9 Sep 23	West	2
9 Jun 23	West	2
8 Mar 23	East	2

**A locked symbol will appear 24 hours after the catch is recorded.**

After this time, you will need to make a request for changes to your recorded catch by contacting [gofishvic\\_feedback@vfa.vic.gov.au](mailto:gofishvic_feedback@vfa.vic.gov.au).

The screenshot shows the 'My Bag' screen. It displays a table with columns for Sex, Size, and Zone. A blue arrow points from the text above to the table. A date '29 Nov 22' and a calendar icon are visible at the top of the table.

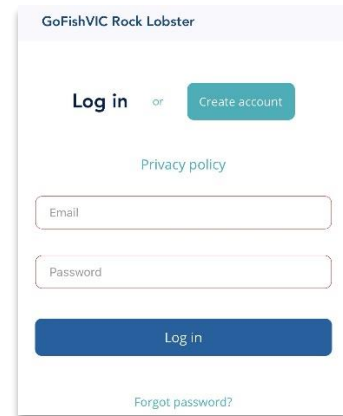

Sex	Size	Zone
Male	12cm	East
Male	10.5cm	East

# VIEW YOUR CATCH HISTORY

**1. Log in to the GoFishVic RL App by entering your email and password.**

You will also need to enter the unique verification code emailed to you each time you log in.

You will only have to log in once unless you log out of the app.

**2. Your catch summary statistics will appear at the top of this page.**

**3. Your catch history will appear on the home screen.**

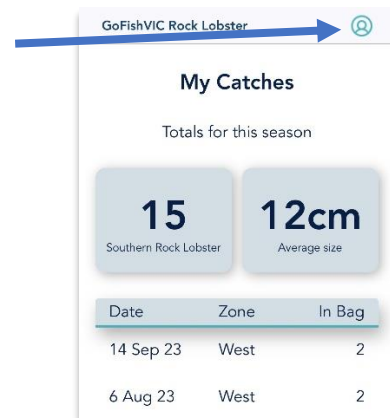

**4. To access the home screen from the My Bag page, select home.**

This will also save any catch entered for that date.

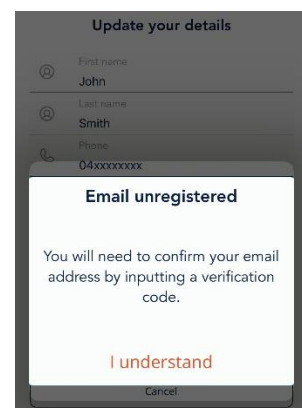

# UPDATING YOUR ACCOUNT DETAILS

**You can amend your personal details at any time by selecting the  icon located in the top right corner of your home screen.**

If you update your email address you will need to confirm the new change by inputting the verification code sent to that email address.

The new email address will be used for future logins.

---

# RESETTING YOUR PASSWORD

---

1. You can reset your password at any time by selecting **Forgot password?** in the login screen.

# Reporting Offline

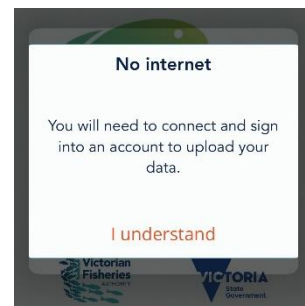

---

## The app allows you to report catch when offline.

If you are already logged in simply proceed with the regular reporting process. Your account will update when your device is online next.

## You can also report offline when you are not logged into the app via the following steps.

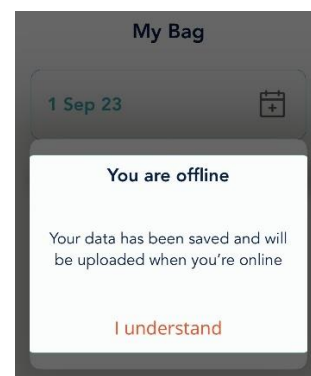

### 1. Confirm you understand you are reporting with no internet

### 2. Proceed with adding your catch by following the steps above in *Recording Your Catch*.

### 3. Save catch reported by confirming you understand you are offline.

### 4. Follow the prompts to sign into your account when you are next connected to the internet.

Your catch will automatically be uploaded to your account.
