Hello Jo,

Thank you for the Draft Fisheries (Spider Crab) Notice 2020 for our consideration.

BLCAC is supportive of VFA's interest to better understand the biology and fishing of the spider crab through targeted research, and thus is also supportive of the VFA's approach to temporarily reduce the bag limit.

BLCAC would also like to thank the VFA for its ongoing engagement and inclusion in such matters.

Please contact me at your convenience should you need to discuss further.

Regards, Rohan
