More people fishing, more often

What's In Your Little Angler Kit?

Your kit contains everything you need to get hooked on fishing as a fun and exciting hobby that you can enjoy with school friends, neighbours and family. Fishing trips are full of adventure and can take you all across Victoria and beyond, creating lifelong memories and great stories to share. As a Little Angler, you're now part of a special club with thousands of other kids!

- fishing rod
- reel with fishing line
- tackle box
- hooks, swivels and lure
- carry case.

Getting started

To make it easy we've created videos on YouTube that explain:

1. how to rig your rod
2. the only fishing knot you need to know
3. pier, lake and estuary fishing.

What is the Little Angler program all about?

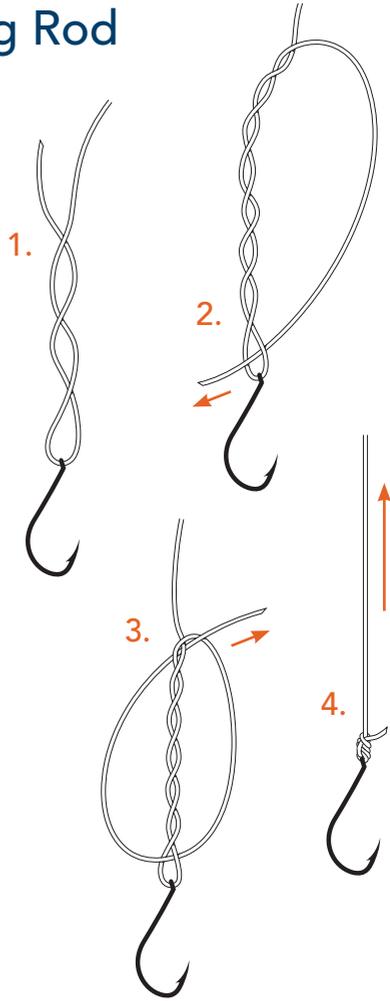

Free Little Angler Kits for Grade 5 primary students are part of the State Government's \$96 million package to further improve recreational fishing, boating, piers and aquaculture. We want more children experiencing the natural world and spending time with friends and family in Victoria's great outdoors.

Rigging Your New Fishing Rod

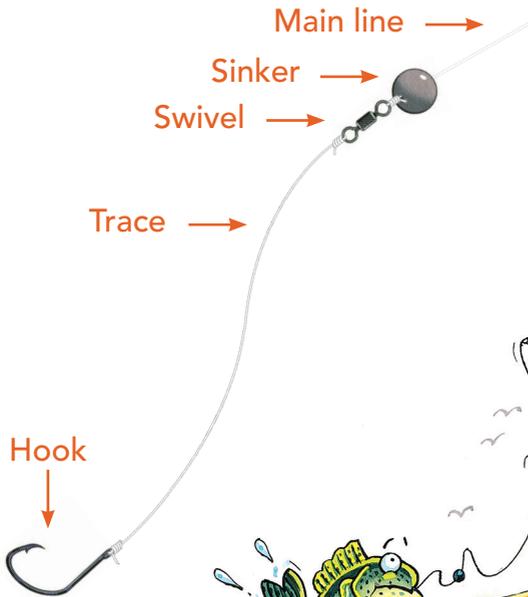

Locked half blood knot

A simple and strong knot to tie line to hooks and swivels.

1. Pass the line through the eye of the hook and wind the tag end of the line around the main line five times.
2. Pass the tag end through the loop that has formed at the hook.
3. Bring the tag end up and pass it through the large loop that has been formed.
4. Wet the knot and tighten by pulling slowly and firmly on the main line.

Safety

Keep your fishing safe by:

- going with a friend
- being careful with hooks and lures
- looking behind before casting
- handling fish carefully
- being conscious of the dangers associated with water
- protecting yourself against the elements (sunscreen, drinking water)
- letting someone know before you go
- washing your hands after handling sinkers, especially before eating or drinking

Fish By The Rules

It's important to know the rules that apply to fishing such as bag limits and minimum sizes.

A **bag limit** is how many fish you are allowed to keep in **one day**.

A **minimum size** is how long (cm) a fish must be to **keep it**.

Fisheries Officers **educate** people about the rules and ensure **everyone** follows them.

You only need a fishing licence if you're aged between 18 and 70, unless exempt.

The free Recreational Fishing Guide lists all the bag and size limits. It's also available as a smartphone app called Vic Fishing.
